#### **SPECIAL NOTICE DURING COVID-19 PANDEMIC**

On March 4, 2020, Governor Newsom proclaimed a State of Emergency in California as a result of the threat of COVID-19. On March 17, 2020, Governor Newsom issued Executive Order N-29-20 (superseding the Brown Act-related provisions of Executive Order N-25-20 issued on March 12, 2020), which allows a local legislative body to hold public meetings via teleconferencing and to make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to observe and to address the local legislative body. Pursuant to Executive Order N-29-20, please be advised that the Anaheim City Council will participate in this meeting telephonically.

**PUBLIC PARTICIPATION:** Pursuant to Executive Order N-29-20 and given the current health concerns, members of the public can access the meeting live on-line, with audio and limited video, at [www.anaheim.net/councilvideos](http://www.anaheim.net/councilvideos) and on Cable Channel 3. In addition, members of the public can submit comments electronically for City Council consideration by sending them to [publiccomment@anaheim.net](mailto:publiccomment@anaheim.net). **To ensure distribution to the City Council prior to consideration of the agenda, please submit comments prior to 3:00 P.M. the day of the meeting.** Those comments, as well as any comments received after 3:00 P.M., will be distributed to the City Council and will be made part of the official public record of the meeting. Contact the City Clerk's Office at 714-765-5166 or [cityclerk@anaheim.net](mailto:cityclerk@anaheim.net) with any questions.

**ACCESSIBILITY:** If requested, the agenda and backup materials will be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. Any person who requires a disability-related modification or accommodation, in order to observe and/or offer public comment may request such reasonable modification, accommodation, aid, or service by contacting the City Clerk's Office by telephone at (714) 765-5166 or via email to [cityclerk@anaheim.net](mailto:cityclerk@anaheim.net), no later than 8:00 AM on the day of the scheduled meeting.

**•ORDER OF BUSINESS:** Public sessions of all regular meetings of the City Council/Successor Agency to the Redevelopment Agency/Housing Authority/Public Financing Authority/Housing and Public Improvements Authority begin at 5:00 P.M. Public hearings begin at 5:30 P.M. unless otherwise noted. Closed sessions begin at 3:00 P.M. or such other time as noted. Closed sessions may be preceded by one or more public workshops. If a workshop is scheduled, the subject and time of the workshop will appear on the agenda. Not all of the above agencies may be meeting on any given date. The agenda will specify which agencies are meeting. All meetings are in the Anaheim City Hall, Council Chamber, 200 S. Anaheim Blvd., Anaheim, CA 92805 or such other location as noted. Pursuant to Government Code Section 54954.2(a)(2), no action or discussion by the City Council shall be undertaken on any item not appearing on the posted agenda, except to briefly provide information, ask for clarification, provide direction to staff, or schedule a matter for a future meeting.

**•REPORTS:** All agenda items and reports are available for review in the City Clerk's Office and [www.anaheim.net](http://www.anaheim.net). Any writings or documents provided to a majority of the City Council regarding any item on this agenda (other than writings legally exempt from public disclosure) are available at the Office of the City Clerk, located at 200 S. Anaheim Blvd., 2<sup>nd</sup> Floor, Anaheim, CA 92805 and by contacting the office by phone, 714-765-5166, or email to [cityclerk@anaheim.net](mailto:cityclerk@anaheim.net).

**•ADDITIONS/DELETIONS:** Items of business may be added to the agenda upon a motion adopted by a minimum 2/3 vote finding that there is a need to take immediate action and that the need for action came to the attention of the City or Agency subsequent to the agenda being posted. Items may be deleted from the agenda upon request of staff or upon action of the Council or Agency.

**•CONSENT CALENDAR:** Consent Calendar items will be acted on by one roll call vote unless a member(s) requests an item(s) be discussed and/or removed from the Consent Calendar for separate action.

**Public Comments (non-agenda items): None**

## **Council Communications/Agenda Requests:**

Council Member Moreno requested an agenda item to discuss the process for public comments during teleconference meetings, concurred by Council Member Barnes (request failed for lack of second concurrence). He requested the City Manager post signed contracts with Anaheim Community Foundation and Visit Anaheim on the City's webpage in addition to the criteria developed for the distribution of community support. He asked the Mayor to make meetings of the Economic Recovery Task Force available to the public for input, post a schedule of meetings, and make the minutes of such meetings public. He thanked his colleagues for being in the community and supporting residents.

Council Member Brandman wished all residents who celebrate a happy Holy Week and good Passover.

Council Member Barnes shared an email she received from the McDonalds government relations manager and announced health care workers, police officers, and firefighters with valid ID or in uniform could get a free coffee and egg McMuffin sandwich during breakfast hours. She encouraged everyone to give blood as much as they are able. She thanked Meals on Wheels O.C. for providing meals, asked that funds be provided to them, and encouraged Anaheim to take the lead to help get families through this time. She wished everyone a Happy Easter.

Council Member Kring reported she volunteered at Renewable Farms and announced another volunteer opportunity on Wednesday, April 8 at 10:00 A.M. For additional volunteer opportunities, she referred residents to One O.C. at [www.oneoc.org](http://www.oneoc.org) and she referred businesses to [www.anaheimchamber.org](http://www.anaheimchamber.org) for ways to help their businesses and employees. She encouraged residents to visit [www.anaheim.net/coronavirus](http://www.anaheim.net/coronavirus) for current news and links to resources. She thanked veterinarians for continuing to provide services to pets, wished everyone a Happy Passover and Easter, and encouraged all to be safe and take care of their families.

Council Member O'Neil requested to adjourn the meeting in memory of District 6 resident Klete Ikemoto, who passed away due to Coronavirus, and offered sympathies to his family.

Mayor Pro Tem Faessel requested the meeting also adjourn in memory of William "Bill" Daly, the father of former Mayor Tom Daly. He congratulated Anaheim Glass for 75 years in business and the Community Services team for supporting seniors with food and paper goods. He recognized Second Harvest Food Bank for their food distribution events, noted his participation on two Saturdays, and thanked Mayor Sidhu for his consideration of sponsoring the next event. He reported speaking with Anaheim Elementary School District Superintendent Christopher Downing and Anaheim YMCA President Rick Martens about delivering meals into neighborhoods for students and connecting them with Anaheim Resort Transportation to provide buses for that purpose. He anticipated the Anaheim Community Foundation would start making grants within the next several days, following a vote last Friday and pursuant to a contract with the City. He acknowledged the 125<sup>th</sup> Anniversary of Anaheim Public Utilities and thanked local restaurants for supporting local essential workers with meals. He thanked East Hardware for procuring distilled water from Arizona which was delivered to the Emergency Operations Center and thanked all in the community for collecting good to distribute to those in need and for doing their part to help everyone through the situation. He looked forward to plans to shop, hire, and buy locally and putting plans in place to get the Resort businesses back running and employees working to make Anaheim stronger. He wished all a Happy Easter and Happy Passover and thanked everyone for their work.

Mayor Sidhu offered his thoughts and prayers to everyone during Holy Week, Passover, Easter, and upcoming Ramadan. He encouraged all to stay spiritually connected while physically separate during this challenging time.

**Adjournment: 8:12 P.M. in memory of Klete Ikemoto and William Daly**

Next regular City Council meeting is scheduled for April 21, 2020.

All agenda items and reports are available for review in the City Clerk's Office and [www.anaheim.net](http://www.anaheim.net). Any writings or documents provided to a majority of the City Council regarding any item on this agenda (other than writings legally exempt from public disclosure) will be available at the Office of the City Clerk, located at 200 S. Anaheim Blvd., 2nd Floor, Anaheim, CA 92805 and by contacting the office by phone, 714-765-5166, or email to [cityclerk@anaheim.net](mailto:cityclerk@anaheim.net).

If requested, the agenda and backup materials will be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

Any person who requires a disability-related modification or accommodation, in order to observe and/or offer public comment may request such reasonable modification, accommodation, aid, or service by contacting the City Clerk's Office by telephone at (714) 765-5166 or via email to [cityclerk@anaheim.net](mailto:cityclerk@anaheim.net), no later than 8:00 AM on the day of the scheduled meeting.

**SERVICIOS DE TRADUCCION:** Para servicios de interpretación, comuníquese con la oficina de la Ciudad (City Clerk), cuando menos 24 horas antes de la junta programada. Llamando al 714-765-5166. Debido a que existen muchos dialectos y regionalismos, la Ciudad no puede garantizar que los intérpretes puedan traducir a un dialecto o regionalismo en particular y rehúsa cualquier responsabilidad que surja de tales servicios.

**TRANSLATION SERVICES:** For translation services, contact the City Clerk's office no later than 24 hours prior to the scheduled meeting by calling 714-765-5166. Because many dialects and regionalisms exist, the City cannot guarantee that interpreters will be able to interpret into a particular dialect or regionalism, and disclaims any liability alleged to arise from such services.

**VIEW CITY COUNCIL MEETINGS LIVE AND ARCHIVED:** Anaheim City Council meeting videos can be viewed live on the City's website at [www.anaheim.net/councilvideos](http://www.anaheim.net/councilvideos).

**POSTING STATEMENT:** On April 2, 2020, a true and correct copy of this agenda was posted on the kiosk outside City Hall, 200 S. Anaheim Blvd., Anaheim, CA. Internet Access to City Council, Agency, and Authority agendas and related material is available prior to meetings at [www.anaheim.net](http://www.anaheim.net).

Item # Closed Session. Distributed to majority of City Council within 72 hours of 4/7/2020 meeting.

City of Anaheim withholding police criminal killings info.

**Anaheim City Council Closed Session Comments, April 7, 2020,**

**VIA EMAIL TO: [publiccomment@anaheim.net](mailto:publiccomment@anaheim.net)**

**FROM: Home Owners Maintaining our Environment**

**The purpose of Closed Session Comments is to inform the public of serious matters such as Anaheim Police criminal conduct. It is understood that the council discussions on such matters are to be secret. However, to keep secret the incidents of police criminal actions from the public is wrong.**

**The closed session calendar has five items on it. Four of the items are kept completely secret from the public. The American Public has the rights to know the subjects (not the discussions), so they could research the matter and give constructive comments to the council. That is the American way and is not the procedure in other countries that have limited transparency for their citizens.**

**The only closed session item that included basic information was the brutal murder by Anaheim police officers of an innocent Latino young man, Vincent Valenzuela. According to the video, without warning, the Latino, who was washing his clothes at a Laundromat, was beaten then strangled from an illegal chokehold by the Anaheim police officers. The courts awarded the deceased man's family \$13.2 million, which the residents of Anaheim must now pay.**

**It is believed one of the other four closed session items that are kept hidden from the public was the Caucasian Anaheim police officer killing of a young Negro man just before last Christmas. According to the video, the "uppity" Negro was standing two feet with his back turned in front of the Caucasian Anaheim police officer when he was shot four times in the back.**

**Of interest could be the Freedom of Speech violations by the Anaheim City Council in censoring Closed Session Public Comments. They are not included in the official video or audio recordings of the council meeting, in the "action" minutes of the meeting, or in the meetings' repeated cable TV broadcasts.**

Hi my name is Pedro Garcia i am a concerned citizen of Anaheim in district 5. My concern is with the 6.5 million dollars being used to fund visit Anaheim when it appears we will not be having that area even be open due to this crises. Even more so it seems completely inappropriate to not have it be closely monitored. With so many of us out of work. What is the city doing for the unemployed?

**The current agenda for this council meeting has been inaccessible on the internet to the public. The City of Anaheim is now requiring an unavailable authorization code (see the attached unauthorized 401.2 notice). Past meeting agendas were available while the current agenda and staff reports were not.**

**A demand for rehearing on the Anaheim Hills non-conforming Serrano residential project is to be scheduled at this current meeting agenda. The developer has threatened an expensive lawsuit to be paid by the residence of Anaheim (and not council members). Grounds for the lawsuit are serious misconduct by Council Member Trevor O'Neil and the facts that such horrible projects have routinely been permitted in Latino areas of Anaheim (Pauline Street) but not in the white Anaheim Hills areas. The rehearing must be allowed to prevent the unnecessary legal costs to the City of Anaheim.**

**In the to be agendaize Virus discussion item, Anaheim City Council members being led by their Mayor Harish S. Sidue has lowered themselves again by exploiting the National Virus Emergency. They are preventing public participation by not allowing verbal comments at their meetings.**

**The ruling of "to make public meetings accessible telephonically or otherwise" requires comments to be made "telephonic," which is by voice.**

**Mayor Harish S. Sidue and his cabal on the city council have maliciously interpreted the rule to mean only in writing, not telephonic.**

**As a bare minimum, the city council should have a clerk read the submitted written public comments during the public comments periods at the council meetings.**

**Attached to this public comment are three pages of evidential documents to be handed out to each council member by the City Clerk.**

# Public Participation for City Council Meetings in Response to COVID-19

## SPECIAL NOTICE REGARDING COVID-19

On March 4, 2020, Governor Newsom proclaimed a State of Emergency in California as a result of the threat of COVID-19. On March 17, 2020, Governor Newsom issued Executive Order N-29-20 (superseding the Brown Act-related provisions of Executive Order N-25-20 issued on March 12, 2020), which allows a local legislative body to hold public meetings via teleconferencing and to make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to observe and to address the local legislative body. Pursuant to Executive Order N-29-20, please be advised that the Anaheim City Council will participate in meetings telephonically.

**PUBLIC PARTICIPATION:** Pursuant to Executive N-29-20 and given the current health concerns, members of the public can access meetings live on-line, with audio and limited video, at [www.anaheim.net/councilvideos](http://www.anaheim.net/councilvideos) and on Cable Channel 3. In addition, members of the public can submit comments electronically for City Council consideration by sending them to [publiccomment@anaheim.net](mailto:publiccomment@anaheim.net). To ensure distribution to the City Council prior to consideration of the agenda, please submit comments prior to 3:00 P.M. the day of the meeting. Those comments, as well as any comments received after 3:00 P.M., will be distributed to the City Council and will be made part of the official public record of the meeting. Contact the City Clerk's office at 714-765-5166 or [cityclerk@anaheim.net](mailto:cityclerk@anaheim.net) with any questions.

**ACCESSIBILITY:** If requested, the agenda and backup materials will be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. Any person who requires a disability-related modification or accommodation, in order to observe and/or offer public comment may request such reasonable modification, accommodation, aid, or service by contacting the City Clerk's Office by telephone at (714) 765-5166 or via email to [cityclerk@anaheim.net](mailto:cityclerk@anaheim.net), no later than 8:00 AM on the day of the scheduled meeting.

Dear City Clerk,

Please send my email to the Mayor and all Council members.

Also please confirm receipt.

I request that the Council deny the developer's request for rehearing for all the reasons the Council restored the Neighborhood Center on March 10th.

See my earlier email below.

Thanks,

Dear City Clerk,

I urge the City Council to repeal General Plan Amendment No. 2017-00515 and rescind Resolution No. 2020-012 to restore the Serrano Center as a Neighborhood Center. Also, to deny the Request for Rehearing filed by the developer.

The Zoning Reclassification Ordinance was properly rejected by the Council on February 11th. Thank you. But in order to restore the Serrano Center back to a Neighborhood Center the General Plan also needs to be put back to where it was to begin with.

The Council heard from many residents in the surrounding neighborhoods regarding all their objections to this proposed project including evidence that the Serrano Center is a viable commercial center that contains many children-based businesses including a dance school, swim school, daycare center and martial arts academy that serve the surrounding neighborhoods. These businesses provides vital after school activities for children including those from the adjoining Anaheim Hills Elementary School.

The adverse impacts on views, air and light to neighboring properties caused by the 3 story condo buildings which are incompatible with the surrounding 2 story neighborhoods and inconsistent with the General Plan. The General Plan discourages development of multi-family developments in existing single-family neighborhoods.

The lot is too small (3 acres) for 54 units when 5 acres are required by the Scenic Corridor. Further, to allow buildings to face Serrano Ave. from only 14 feet away from the street is dangerous when a 50 foot setback is required. A car will end up in someone's living room if this is built.

The project is too dense and all exits onto Nohl Ranch Road are right only forcing those wanting to head back to the 91 Freeway to make a right onto Carnegie Ave, right on Calle Venado and attempt to make a dangerous left turn onto Serrano Ave. This is a blind curve and the City recently put up a flashing yellow sign to alert drivers of exiting vehicles.

Please put an end to this project.

Sincerely,

Moses Johnson

**Subject:** Stop Deployment of Wireless during Quarantine

Dear Ms. Bass,

Dear Mayor & City Council Member,

We ask that you impose a moratorium on "small cells" and other wireless infrastructure permits process and deployment until the COVID-19 emergency is over.

The wireless providers are using the COVID-19 emergency as cover to expand and cement their rapid and virtually unsupervised deployment of harmful wireless infrastructure. Our local leaders should not have to dedicate time and resources to policing whether the wireless companies are following local and state law, they have far more important things to do.

The FCC wireless permit rules allow emergency moratoria. Homeland Security guidelines emphasize that maintenance of existing communications capability is the priority. New construction is not "essential."

The COVID-19 emergency has led to a government shut down of non-essential activity. Hospitals, emergency response and local officials are overwhelmed and they must be allowed to focus on what is indeed "essential". Now is not the time to be dedicating resources to expanding, rather than just maintaining, our networks.

The FCC has directly held a local jurisdiction can impose a temporary halt to deployment and permits during emergencies. In the Matter of Accelerating Wireline Broadband Deployment by Removing Barriers, FCC 18-111, 33 FCC Rcd 7705, 7784-7785, ¶157 (2018) ("We recognize that there may be limited situations in the case of a natural disaster or other comparable emergency where an express or de facto moratoria that violates section 253(a) may nonetheless be 'necessary' to 'protect the public safety and welfare' or to 'ensure the continued quality of telecommunications services.'")

Homeland Security has declared that local government is on the forefront and can take control over determining whether to temporarily halt all non-essential activity. Homeland Security guidance documents prioritize maintenance of existing Communications Systems, and do not support “essential” status for new construction. See Homeland Security Cybersecurity & Infrastructure Security Agency, Identifying Critical Infrastructure During COVID-19, <https://www.cisa.gov/identifying-critical-infrastructure-during-covid-19> (local control); e-Critical Infrastructure and Key Resources Support Annex, <http://www.fema.gov/pdf/emergency/nrf/nrf-support-cikr.pdf> (focus on “protection, response, recovery, and restoration”). Homeland Security, like the FCC, understands that it is essential in an emergency situations justify focusing on protecting, responding, recovering and restoring of existing systems, but new communications facilities construction is and should be deemed nonessential, and subject to lockdown for so long as we are under emergency conditions.

Cities can and should impose a moratorium on deployment in their local area and freeze the permit process until the COVID-19 emergency is over.

Sincerely,  
Brigette Gentil

Good Morning Ms. Gentil,

Thank you for your email below. Councilmember Barnes and the City Manager have asked me to look into this issue and respond on their behalf. While we understand your very valid concerns, the state of California has defined the communications sector as part of the Essential Jobs in the Governor's executive order on COVID-19. I reviewed the link to the defined essential jobs and found multiple sections that do include the installation of new communication facilities as critical.

The safety of the public and our employees is our top priority. If the communication companies at their own will choose to continue work at this time, we do ensure they perform their work in a safe manner for our community and the city inspectors that are overseeing the work. We look for proper detours for pedestrians, traffic control, social distancing and proper use of personal protective equipment.

I think we have all experienced the impact the stay home order has had our wireless communication system. I have certainly experienced a change in signal quality on my mobile devices with more people at home using wireless communication to work and stay in touch with friends and family. It is vital that we continue to improve our communication infrastructure. If you have any other questions, please give me a call at 714-765-5065.

## Public Comment

**Subject:** TCA - Toll Roads

Good evening City Council

I am writing to you today to ask for your support in reducing a significant tax on all Orange County residents that often times goes unnoticed. Are you aware that the Transportation Corridor Agency (The "TCA") has taxed OC homeowners to the tune of \$706,334,000.00 million since the Agency was established in 1987. This tax comes in the form of Development Fees that are assessed on new residential and commercial properties developed within Orange County.

The TCA was formed in 1987 with the explicit purpose of constructing the 73, 241 and 261 Toll Roads. At the time that the TCA was established bonds were issued to pay for construction of these new Toll Roads. The promise made by the TCA at the time was that the debt taken on by the TCA for construction of these new Toll Roads would be paid off through a combination of Development Fees and Tolls collected on the roads by drivers who use the roads. 100% of the debt was to be paid off within 20 years and the Toll Roads were supposed to become Freeways like the rest of the Interstate Highways within our great State of California. As it turns out the TCA has horribly mismanaged their role and has squandered these silent taxes paid for by your constituents. Not only are the 73, 241 and 261 still Toll Roads and not Freeways, but the TCA is still over \$4.7 BILLION in debt for construction of these roads – years after the roads were supposed to become free. This is a dereliction of duty and a travesty for Orange County Taxpayers. By the time the bonds are repaid it will cost 11 Billion dollars - the debt is going in the WRONG direction.

The TCA recently released a draft a Vision Plan - where they are trying to do other things than just pay down the existing bonds and get involved outside thier lane. It is time to cut the head of the snake and have teh TCA solely focus on paying down the bonds, instead of driving up housing and the cost of business in our County with these empty toll roads.

Thankfully, the agency CEO who drive up more debt and refinanced the bonds more than a zero dow home in the inland empire will be leaving - its time to get this agencies spending in check and have them focus on real mobility which is paying down the bonds so the congestion free toll roads can be open for all drivers.

Thank you

Dear City Council Members and Public Comment Record,

In preparation for your Tuesday 7 April meetings I am providing two charts showing an economic analysis of the Transportation Corridor Agency Toll Roads project. The chart data comes from the 2013 TCA Bond Issue [document](#) (464 pages), the economic analysis considers the life of each bond issue and maturity in that package from 1995 to 2053. The analysis computes the equivalent annualized amount for every bond, revenue, and expense recorded in that document both present and projected:

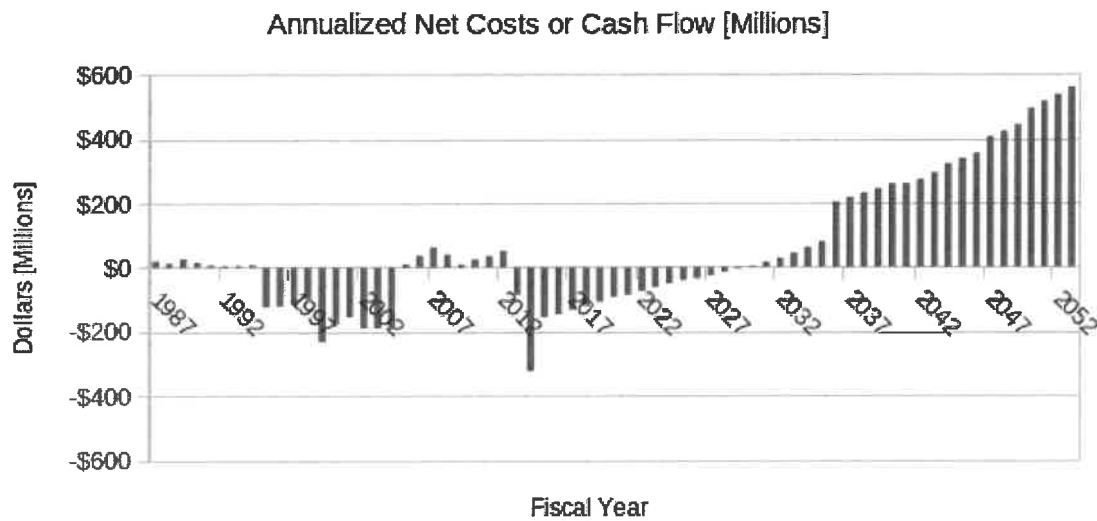

- Bonds Series 1995, 1999, 2013ABC
- Bond Debt Service
- Developer Impact Fees
- Operating Expenses
- Toll Fee Revenue

The first chart shows the total anticipated revenue to cover the actual bond debt service and anticipated expenses for all the bonds.

The next chart shows the annualized net revenue after expenses in each year.

## TCA Toll Roads Bond Analysis

The charts show the actual revenue income prior to the bond retirement and refinancing in 2013, and the projected revenues anticipated after 2000. Compare the actual revenues to the projected. **The actual net revenues prior to 2013 are a realistic measure of future performance.** If you believe the projected revenues are suspect notwithstanding the COVID-19 impact and higher toll rates on total toll revenues, if you believe this bond financing is suspicious, if you believe this public debt will NEVER sunset, then investigate the TCA.

Respectfully Submitted,

Good evening City Council

I am writing to you today to ask for your support in reducing a significant tax on all Orange County residents that often times goes unnoticed. Are you aware that the Transportation Corridor Agency (The "TCA") has taxed OC homeowners to the tune of \$706,334,000.00 million since the TCA a government Agency was established in 1987. This tax comes in the form of Development Fees that are assessed on new residential and commercial properties developed or remodeled within Orange County.

The TCA was formed in 1987 with the explicit purpose of constructing the 73, 241 and 261 Toll Roads. At the time that the TCA was established bonds were issued to pay for construction of these the Toll Roads. The promise made by the TCA at the time was that the debt taken on by the TCA for construction of these new Toll Roads would be paid off through a combination of Development Fees and Tolls collected on the roads by drivers who use the roads. 100% of the debt was to be paid off within 30 years and the Toll Roads were supposed to become Freeways like the rest of the Interstate Highways within our great State. As it turns out the TCA has horribly mismanaged their role and has squandered these silent taxes paid for by your constituents. Not only are the 73, 241 and 261 still Toll Roads and not Freeways, but the TCA is still over \$4.7 BILLION in debt for construction of these roads. This is a dereliction of duty and a travesty for Orange County Taxpayers. By the time the bonds are repaid it will cost 11 Billion dollars - the debt is going in the WRONG direction and will never be paid down or a major taxpayer bailout required negatively affecting Orange County and the State according to a OC Grand Jury report - the TCA carries 64% of all JPA debt in the OC.

The TCA recently released a draft a Vision Plan - the TCA is trying to do other non tolled projects and this is serious mission creep. It is time to have the TCA solely focus on paying down the bonds, instead of driving up housing and the cost of business in our County with these empty toll roads and really get traffic moving by freeing the toll roads. We have OCTA and CalTrans there is no need for this redundant wasteful agency. Tax payers deserve better.

The TCA sends Hundreds of Millions of Dollars outside of our state on vendor contracts, if they want Orange County Tax payers to be able to afford the ever increasing tolls they need to be more mindful and keep the money in California.

Thank you for your time and please do something to stop the hemorrhage to tax payers in our county with these economically discriminating toll roads.

Michelle

As we go through this brave new world of rules and restrictions for public safety, I want to complement the staff and services of the City of Anaheim. Be grateful that we all have police, fire, community service, public utilities and neighborhood services working as hard as they can. The lights are on, the water is running and the street services are still being kept up beautifully. In my experience, Anaheim Anytime has been 100% up to their high standards of quickly resolving issues. Our public library has set a platinum standard for the nation of the creative ways our library still can serve those in need of entertainment and a great book or video. Our hard working nonprofits like the Anaheim Family YMCA and Boys and Girls Club are ensuring that children are fed through our fabulous Anaheim Community Foundation and a lot of caring.

Our entire city team is to be commended wholeheartedly. We should not take for granted that what we expect to be normally done takes an extraordinary amount of commitment to get done during challenging times.

Item # 21. Distributed to

Honorable Mayor Harry Sidhu, Anaheim Council Members and City Staff,

Although I no longer live in the city of Anaheim my heart will always be there. I applaud our city leaders and staff for great leadership and guidance going through what will surely be known as one of the most difficult times in our country's history.

We are thankful for the swift decisions that you have made to protect the population and ensure that even our most impacted families in our community will continue to receive services. Although at the present time the Boys & Girls Clubs are not able to serve children we are currently running grab and go food distributions three days a week. In our first two weeks we reached 400 families touching close to 2000 individuals delivering precooked meals, canned goods, nonperishable food items and over 3000 pounds of pasta. We have collaborated with The Raise Foundation, Caterina's Club and Influence Church. They have all provided food and meals to families that need our help now more than ever.

I am happy to inform you that the on July 1, 2020 the Main Clubhouse in Anaheim at Manzanita Park will officially become an accredited Family Resource Center bringing more organizations together providing greater services in the 92801 and surrounding neighborhoods.

Thank you for keeping our community safe and providing the resources to The Boys & Girls Clubs of Anaheim assuring we can continue offering high quality programs to our children and their families.

Sincerely,

John Machiaverna

**Subject:** time to abolish TCA - NOW!

Dear Council,

I'm a San Clemente resident.  
OC resident for 22-years.

For 22-years we've all experienced the ineptitude of TCA. Their swelling indebtedness. Their lies. Their folly, as a so-called transportation-reducer, when in fact, TCA's 51-miles of toll roads literally brought freeway congestion to OC, as the venue for accessing open space for south county's master planned development.

More development = More traffic.  
Ironically, TCA limits its ridership through Congestion Pricing?

When commuters need traffic relief the most, during peak hours, TCA shuts the door.  
What relief?

The 73 toll road has failed financially from Day-1.

This is fact, no matter how TCA cooks their books.

The 241, is less of a failure, only because TCA rejiggered their books, recognizing the 73's financial-success-over-promise would never happen, so, TCA lowered the financial bar for the 241.

Hence, the 241 became TCA's poster child for success.  
Basically, just more scam bookkeeping at TCA.

Today, TCA has given-up on their 2-decade dream / folly of a 241-South Extension, from Oso Parkway south, DIRECTLY through...San Clemente?

Literally, through the middle of San Clemente.  
Down San Clemente's throat.

Does any rational citizen, from any city in OC, or any city, anywhere in the world, think; paving an underperforming toll road, through the middle of anyone's town, is rational?

No.  
It's absurd.  
It's abusive.  
It's stupid.

Basically, TCA is crazy.

Yet for 2-decades, TCA has threatened, bullied, panicked, tormented San Clemente's citizenry through TCA's blind, non-stop arrogance.

TCA should be immediately terminated.

Its Headquarter doors bolted shut, turning TCA's scant remaining services over to OCTA.

There is no reason, for TCA going forward.

None.

And I haven't even mentioned TCA's elephant in the room: its out of control, ballooning debt load, to the 10's of Billions and growing exponentially.

Abolish TCA Now.

End the madness.

Bring sanity back to OC's traffic relief dilemma by Abolishing TCA Now, putting OC traffic solutions into the hands of experts.

Not TCA.

Abolishing TCA is decades overdue.

Do it now, for the good of OC.

Thank you,  
Jerry Collamer

Given honor to God and all of the members of the council that are serving God,

Our world, our nation, are going through very uncertain times where the results are crucial and uncertain times. We will get through this crisis because we trust in God, we trust not trusting in our federal or local government.

Again our city council has shown how there is no limit to the corruption this mayor and his merry people will commit. This Mayor never missed an opportunity to keep on robbing the residents of Anaheim even in a time of crisis. So because of this I am giving the mayor the name of "Harry robbing the hood" along with his band of merry men and "little John" is Faessel, with Kring, O'Neil, and Brandon. They will do whatever this mayor want or tell them to do, just like when the mayor on a hot mic when they thought it was off telling Faessel how to vote. That right Council Faessel lost a lot of respect from the people of people who learn about this telling sign that Faessel is bought and pay for. For the money and not the residents.

They have done it again last week when the Newsome from the state send our taxes money to help with this corona emergency. Out of 15 million dollars he and his merry men gave another private RESORT company 6.5 million to hold on to until this corona situation is over.

While the convention center employees go unpaid along with the employees of hotels that are part of the resort community that don't belong to Disney. 6 ½ million to a company that fought measure L the living wage against putting money into employees hands for them and their childrens. That in the past i believe even contribute to the campaigns of some of the present city council.

What was the big HURRY Harry that only after 15 hours you call a emergency meeting to hurry and wait. That couldn't wait for the regular meeting 5 days later to discuss what should be done and given the council less than 1 day to read. Corruption at it best is quick and fast before people and this company does nothing really for the residents but the Resort community of Disney that paid 52.4 billion in 2017 for Fox.

Next he will give SOAR 10 million because they are going broke also without normal stream of Disney money,

Residents pay attention because maybe because we don't pay attention this is happening.

We are going through a world problem and is HOMELESSNESS a world problem and don't you think when they cry out to God he tell them revenges are mine.

Sports people we trusted that ours people in government where doing the right thing and now we find they only were pretending to be handling the problem.

The mayor gave 250 thousands to Anaheim first his private non profit of chamber of congress,

Next he gave the chamber of congress 450 thousands dollars.

Next he gave the police union president a 17 % raise paid for by the residents of Anaheim which nearly cost about 400 thousands and now he giving visit Anaheim 6 ½ million.

Mayor Sidhu and Council Memebtrs,

My name is Annemarie Randle-Trejo school board trustee for the Anaheim Union High School District. First and foremost while I am grateful for the opportunity to post remarks to all of you I find it difficult This method t is unable to truly relay or emote a true essence of the message from constituents.

Communication is always key and while we may not like some remarks from citizens it is their right to address the council.

I urge you all to allow the public to call in or at the very least have the clerk read the comments. This would add transparency and allow those listening in to hear and understand public views. Please consider these alternatives.

It was my understanding at the last council meeting many constituents were very concerned or skeptical of the 6,5 million that was earmarked for advertising. While we are all understanding that sacrifices and hard decisions have to be made to aide the community. Many do not understand or think it appropriate (including me) at this time to pay money to advertise. I gave you my remarks for the prior meeting and feel all of those communications from the prior meeting should be posted as well.. Many people in the community are struggling and are waiting in line for food. I think you can draw the parallel.

I would also like to say that the efforts of the Anaheim Union High School district to feed our families has been on going and steadfast. We have some days given out over 11,000 meals per day. We have several sites across the city and our food service employees are our heroes as well.

I also need to point out the efforts of the AUHSD . We've been promoting the CENSUS 2020 since last year. I am pleased to hear that the city numbers are promising and would like to acknowledge and thank the hard work of our AUHSD staff and community partners. If we all work together we can receive the needed dollars and services for the entire Anaheim community.

Thank you

Thank you so much for your time in helping to relieve our fears during this horrid time.. I've just heard on the radio that O.C. has just ordered 10,000 masks..Will a percentage of these be allotted for residents who are at risk, who reside here, otherwise on social security an dissability?? I believe even two a month would be beneficial for seniors as they could get most of their errands done in those two days they would have their masks..giving them out at the grocery stores they shop would be a win win situation for both the protection of the person an the store..if we are to help our medical people than we must keep people healthy..we who cannot afford shopping on line an delivery, MUST go out, especially if we live alone as I do, whereby the grocery store...it's the only place I absolutely have to go to... Please think on this and let me know how this will be handled so I may reassure those around..thank you again for your time an effort on helping this city through what I believe is it's worst time in history..bless you all Brenda Visconti
