Hi, my name is Christian. I'm an 18 year old full time student and worker in west Anaheim

1. What can residents do to reduce to prevent burden on our local infrastructure including hospitals, emergency services, and law enforcement?
2. Will there be any relief for workers impacted like those working at hotels or restaurants surrounding Disneyland?
3. What can residents do to support one another during this time? How can we safely support local businesses? Are there food banks that will support the most vulnerable in the community?

Will venues be required to suspend/postpone events? It is irresponsible to continue to hold events at this time.
